If you are paying income or capital gains tax at the standard rate or above, you should make the following declaration:

I want the BCPA to treat all donations I make in this tax year and all donations I make from the date of this declaration until I notify you otherwise as Gift Aid donations.

I understand that I must pay an amount of UK income tax and/or capital gains tax at least equal to the tax the BCPA reclaims on my donations in each tax year (currently 25p for each £ given).

- 1 You can cancel this declaration at any time by notifying the BCPA
- 2 If your circumstances change and you no longer pay income or capital gains tax equal to the tax that the BCPA reclaims, you should cancel your declaration
- 3 If you pay tax at the higher rate you can claim further tax relief in your self-assessment tax return
